School Report Card 2005-06

OUR MISSION

Athol Elementary's mission is to establish a strong foundation for lifelong learning by nurturing, guiding, and challenging all of our students to achieve their maximum potential through the cooperative efforts of home, school and community.

KEEPING YOU INFORMED

This report is a summary of some indicators of the performance of our school. No single report can tell the whole story of our school's educational program or the people who work and learn here. We encourage you to find out firsthand by visiting our school. If you are a parent of one of our students, we invite you to take an active role in your child's learning because studies show that when parents are involved, students do better in school.

HOW WE ARE IMPROVING

At Athol Elementary we are focused on providing a high quality education for all of our students. We promote and maintain a climate of respect for student, staff and community. We provide multiple learning opportunities throughout the day to ensure student success. We are proud that our students continue to perform significantly above the state average on all assessments.
