Twin Lakes Elementary School 2007-2008

OUR MISSION

The mission of Twin Lakes Elementary is to provide an excellent education in a safe, respectful, responsible environment that empowers our students to achieve success.

KEEPING YOU INFORMED

This report is a summary of some indicators of the performance of our school. No single report can tell the whole story of our school's educational program or the people who work and learn here. We encourage you to find out firsthand by visiting our school. If you are a parent of one of our students, we invite you to take an active role in your child's learning because studies show that when parents are involved, students do better in school.

HOW WE ARE IMPROVING

Twin Lakes Elementary is a new school. We opened in the fall of 2007. Our goal this year was to continue to provide the excellent education that our students had previously experienced in other Lakeland elementary schools. In addition, we have strived to develop a climate where students can learn and be successful.

WHAT WE CELEBRATE

Twin Lakes Elementary completed our first year and students have shown success by exceeding academic targets set by state and federal standards.

A school wide discipline plan was developed to help provide a positive, safe school environment.

Parents and staff worked to organize an outstanding PTO that helps and supports student activities.

Parents and community volunteers have been actively involved in helping students to learn.

OUR SCHOOL COMMUNITY

Many factors, such as how often a child attends school, moving frequently, and English language experience, influence school achievement. Measuring these characteristics helps us understand our students' needs.

- 25% Who volunteered their time

We are committed to ensuring that highly trained and qualified teachers instruct our students. Parents are welcome to request information about the qualification of their child's teachers at anytime. As required by state and federal laws and rules, we collect, monitor, and report on crimes and substance abuse incidents on our campus and at school activities. A complete report of this information about our school and district is available at: <http://www.sde.idaho.gov/ipd/reportcard/SchoolReportCard.asp> or by contacting Brad Murray at the Lakeland School District office.

ABOUT OUR STUDENTS' TEST RESULTS

Included with this are "Adequate Yearly Progress Assessment Reports." These reports provide detailed information about the academic performance of our students and specific groups of students on state reading, math, and language usage tests.

ABOUT OUR SCHOOL'S PROGRESS

The results from these tests also are used to measure the progress of our school toward state and federal goals. The report called "Adequate Yearly Progress Indicators" details which goals our school met and those we may have missed.
